Foreword

FOR CENTURIES wise old men have said, on viewing the affairs of state and the conditions of the world, "It is up to the next generation, the youth, to get us out of this mess." We, the young people of the Second World War era, have heard these words many times, and we are awed at the magnitude of the task ahead of us. It is up to us to bring about a civilized world, a lasting peace, and a non-atomic-bomb future. IT LOOKS like a tough problem, but there are many things to help us. We have books, magazines and articles; we have radio programs, and forums; we have our own teenage clubs, and young people's church groups; most of all, we have had the advantage of education in a progressive high school. THIS IS OUR background. The future, for most of us, is college. There we will delve into the human mind, man's history, his progress, and his future. And let us study diligently, for in our hands, so the wise men tell us, lies the future of America.

MR. MELVIN E. MILLER, Dean of Boys

DEDICATION

Mr. Melvin E. Miller, Dean of Boys, has been chosen by us, the Seniors of 1947, as the Dedicatee of our yearbook. His able assistance has been sought by the Senior boys throughout their careers in high school, and especially as they look forward to college. Although his work has been primarily with the boys, his friendliness and helpful attitude have made him well liked by all. Those of us who have been his students in algebra classes realize that he excels as a teacher as well as a counselor. As advisor of the Congressional Club, he is untiring in his efforts to promote school activities, and he is always on hand at school functions, whether they be football games or dances. We are proud to dedicate our annual to Mr. Miller, Dean of Boys, and a real friend to us all.

Shaker Heights High School

R. P. TAPPENDEN

Our Alma Mater

Let our voices loudly ringing,
Echo far and near,
Songs of praise thy children singing
To thy mem'ry dear.
Years may dim our recollections;
Time its change may bring;
Still thy name in fond affection,
Shaker High we sing.
Alma Mater, Alma Mater, Tender, fair and true,
Grateful sons with love unfailing, All their vows renew.

WILLIAM SLADE, Jr. Superintendent

TO THE SENIORS

May I extend my very best wishes on the occasion of your graduation. It was just three years ago, when you started work at the High School, that I started work in Shaker Heights. How fast the time has gone.

If I can estimate at all the world you are going into, it is one of very complex relationships — a world where it is most important that you be able to get along with people.

This matter of effective relations with people is what I like to call The Fourth R in Education. You have been studying "Reading, 'Riting and 'Rithmetic" and I hope you have also learned much in our High School about The Fourth R.

Our country needs, desperately, men and women skilled in establishing "rapport" (the French have a better word for it than we do) between labor and management, between government and management, in our foreign affairs and, most important, in the life of our American families.

Your success and happiness and your contribution to society may depend very largely on what you learn about The Fourth R.

We shall watch your successes with great pride. Please be sure of our interest and loyalty always.

WILLIAM SLADE, JR.

RUSSELL H. RUPP, Principal

TO THE SENIORS:

Altogether too soon you will be graduated. Because of your fine personalities and outstanding abilities we regret your going. For the same reasons we rejoice and are happy to see you on your way, confident that you will exert the same worthwhile influence in your larger fields. You have much to offer a world that needs much.

Your contributions to your school have been many. We hope you will be interested in it always.

You have earned the right to go with courage. We know you go with humility. Our best wishes go with you.

Sincerely,

Russell H. Rupp

CALENDAR OF EVENTS 1946 - 1947

SEPTEMBER

- 4—School opened today, and it was great to get back. We renewed old acquaintances and made new ones among teachers and pupils.
- 5—We're in the routine already. Council representatives were elected in home-rooms this morning.
- 6—This certainly is a busy week! The Budget Book assembly put across the purpose of the books, and we all made up our minds to save that \$5.00 by any means.
- 12—Just to prove that we're going full steam, we had our first pep assembly today. Those cheerleaders really are terrific, to say nothing of the drum majorettes.
- 13—We all came back to school this evening for the first all-school dance. To honor the football players, the gym was decorated with red and white banners bearing their names. Steve Pindor's band furnished the music. This Friday the 13th left nothing to be sorry for.
- 20—We had another pep assembly today, even better than the last. The pep committee is doing a swell job of putting on original and entertaining shows.
- 23—As club week started today, we all tried to figure out what clubs we could join without conflicting schedules. Some of us had impressive lists, but how long will we be able to carry out our good intentions.
- 26—A Navy blimp flew low over the school today. Everyone on the east side of the building dashed to the windows to see it.
- 30—This morning we had an assembly featuring Professor Quiz of the radio. About twenty contestants, suggested by the deans, were called up onto the stage. Each was asked to answer a preliminary question. This narrowed the field to six students, who battled it out until the winner was decided. Ralph Stephan won again, proving that he is tops in everything.

OCTOBER

- 4—A big pep rally this afternoon put us in the mood for tonight's game at Shaw. Despite the fact that it rained dismally most of the day, we all braved the elements to see our team fight and win. After a brilliantly played game the boys went home victorious, and the "backers" went home happy.

- 7—To celebrate our conquest of Shaw, we had a victory assembly this morning. After some cheers and a few words by the coaches, the captain of the team, Jim Weizer, presented Coach Breitenstein with the football used in Friday's game. The coach very generously gave it to the school for the trophy case.
- 10—In one of our most important assemblies, Colonel Kenneth Walker this morning spoke on the subject "We Must Live Together or NOT Live". The colonel stated that the only field which hasn't made great advances is the field of human relations. Here's a thought for some of you Seniors who haven't yet decided on a career.
- 14—The Community Fund campaign was off to a good start after an assembly in which the band and several speakers took part.
- 18—We had one of the best rallies of the year this afternoon. The president of the Dads' Club, as well as the president of the Alumni Association, spoke during the assembly. The annual game with our neighbors and rival, U. S., has always been one to arouse a lot of enthusiasm, but this year it's really true that "We've got the style, we've got the pep." The Neetnac opened tonight for the first time this season. New lighting, a dance band, and refreshments made a very enjoyable evening.
- 24—Tonight our only bonfire of the season was held. It was a very peppy affair, with everyone cheering wildly around a blazing fire. To end the evening right, an all-school dance was held immediately afterwards in the girls' gym. Oh, yes, all the pep was in preparation for the tussle with Willoughby on Saturday.
- 25—A great day — no school! The teachers got away from it all at the annual N.E.O.T.A. meeting, so we had a whole free day. Doing what? Why, homework, naturally!!!
- 26—Hamlet is coming to town and we Seniors are ready and waiting. In our assembly today Mr. Allen Ludden, personal manager for Maurice Evans, told us a little about the production. We all decided that no matter what we'd previously decided, we wanted to see that play. He was a very convincing speaker. Good-looking too!

CALENDAR OF EVENTS 1946 - 1947

- 31—Happy Hallowe'en! What a day for Shaker! After an exciting pep assembly we were all set for tonight's game with Heights at Shaw Stadium. We can't seem to evade the rain when we play at Shaw. Another downpour doused our clothes, but not our spirits.

NOVEMBER

- 1—We needed our beauty sleep after last night's game, and therefore school started at 9:15 this morning. There was a big victory assembly, and everyone was happy the whole day. This evening the 10-B's held their class party. We couldn't go (strictly a 10-B affair), but they say it was a whopping big success. Congratulations, kids! Your spirit will be a great asset to Shaker.
- 4—Many Seniors are looking sleepy these mornings. Upon being asked why their homework isn't done, they reply unanimously, "I went to see *Hamlet* last night". Well kids, Old Will finally came in handy.
- 8—This afternoon we had our final football rally. We play Lakewood tomorrow on their home grounds, and we really need plenty of spirit. Not to be outdone by the 10-B's, the 10-A's held their class party tonight. Chalk up another success!
- 11—Today was the beginning of horror week — "Co-ops" to you. But only the poor "A" classes suffered. Our time will come, and then they can laugh.
- 15—The Seniors are all looking extra nice these days. The reason? Sitzings for the *Gristmill* pictures have begun.
- 22—The Moonbeam Bounce, an all-school dance sponsored by the 11-A's was held tonight. The gym was decorated to look like a planetarium, and all present enjoyed the affair. In fact, many couples looked moonstruck.
- 27—Are you aware of *The Importance of Being Earnest*? Well, you certainly should be after tonight's presentation by the Senior class. The Play was a huge success and the whole audience was kept laughing. Tonight we played our first basketball game, at Euclid Central. After the play and the game, everyone (especially the Alumni) headed for the Canteen to meet the gang, dance, and eat. The Neetnac overflowed with enthusiastic and happy crowds.

- 29—We're all stuffed with turkey, and wondering how many more "fowl" sandwiches it is possible for one human to consume. What did we do on our day off? Well, those who could get out of bed went downtown to do their Christmas shopping. We haven't had snow yet, but it's tradition to start Christmas shopping on the day after Thanksgiving.

DECEMBER

- 1—December started out right with the first snowfall of the winter.
- 5—Club pictures were taken for the *Gristmill* today, much to the distraction of the teachers and the pleasure of pupils.
- 13—This afternoon the band gave an assembly featuring "Rhapsody in Blue."
- 16—The movie *Tale of Two Cities* was shown to the whole school this morning. It helped the Sophomores in their studies, and brought back memories to the Juniors and Seniors, who had read Dickens's novel in 10th grade.
- 20—The choir gave its annual Christmas program today. The beautiful music, and the snow falling outside put us all in a holiday mood as we left for Christmas vacation.
- 21—To start vacation really right, the 11-A class gave a combined Junior Prom — Alumni Dance. The decorations, big white roly-poly snowmen, and entertainment featuring Santa Claus reminded all that Christmas was not far off.
- 25—MERRY CHRISTMAS!!

JANUARY

- 6—We came back to school today after a wonderful two week's vacation, and set to work to learn all we could before exams roll around.
- 10—The 12-A Recognition Assembly was given this afternoon. It made us all wish we were in those seats "Center Front".
- 16—The 12-A's celebrated tonight with a combined dinner and dance at the Tudors Arms Hotel.
- 17—Today was the last day of the semester. The 10-B's got their first glimpse of the school when they met to hear about the Budget Book, the Canteen, etc.
- 20—Second semester opened today.
- 22—At commencement tonight, smiles and tears combined as the Seniors said "Good-Bye" to the school.

CALENDAR OF EVENTS 1946 - 1947

FEBRUARY

- 7—Today we had our first pep assembly of this semester, to build up our spirit for tonight's basketball game against Shaw, and show those new 10-B's how we Shakerites really can yell.
- 16—The A Cappella gave its annual concert in the auditorium this afternoon at 4:00 P.M. The program included such favorites as "Holiday for Strings", "Serenade" from the *Student Prince*, and "How Lovely Is Thy Dwelling Place", by Brahms. Solos were sung by five of the outstanding singers in the choir. They were Joan Bernstein, Bob LeLievre, George Bissell, Pat Allen and Dorcas Ann Hutchinson. The choir robes had been restyled with beautiful red revers and were worn today for the first time.
- 28—Today was a big day for us all. In an assembly this afternoon, Mrs. Julia Schlemmon spoke very interestingly on Persia and Iran. In the evening the Dramatic Club presented its play, "Stage Door". After the play, we all went to the Council sponsored dance in the gym.

MARCH

- 7—The band gave a concert in the large auditorium at 7:00 P. M. They appeared in their new uniforms for the first time.
- 10—An assembly today featured a talk on conservation by Dr. Paul Sears, head of the Botony department at Oberlin College.
- 21—The Lake Erie League choir festival was held in the Cleveland Heights High School auditorium. Our A Cappella under the direction of Reynold Ellis performed excellently in the evening program.
- 28—Another all-school party started Spring vacation with a bang.

APRIL

- 7—School reopened today after a wonderful week of Spring vacation. We were all in a mood to get back and finish the year in good style.
- 9—Today's assembly on Williamsburg, Va., was of particular interest to history students, but was enjoyed by all.

- 14—Today started a two-weeks campaign which will be climaxed on the 25th by the annual Student Council election. May the best candidates win!
- 30—The Choir gave its second annual Bobby-Sox Revue. Those fellows and girls certainly know how to entertain.

MAY

- 2—Everyone got all decked out in their Spring finery for tonight's Junior Prom, one of the biggest and best dances of the year.
- 9—The Senior play this evening was an occasion for gayety and happiness, especially for us 12-A's. Afterwards we all went up to the canteen to dance and enjoy a hamburger, ending the evening in fine style.
- 18—The choir and band gave a combined concert in the large auditorium this afternoon. It was a very pleasant way to spend a Spring Sunday afternoon.
- 21—Today's assembly had a dual purpose—to honor 12-A class, and inaugurate the new Student Council officers.
- 29—Another of those wonderful "Asphalt Dances" was held this evening. The idea originated last year and this has become one of the most enjoyable dances of the season because it is held right under the honest-to-goodness moon and stars with a "live" band.
- 30—Memorial Day found us trying to remember all we had learned the past semester in preparation for next week's finals.

JUNE

- 4—We 12-A's really had a wonderful time tonight at the Senior Prom. It is one thing we will remember fondly after we've forgotten all our other High School activities and studies.
- 6—Today many of us leave Shaker High looking forward to vacations or a summer of work. As for the majority of ex-12-A's, we will be entering college in the fall. None of us who have spent three years here, however, can ever forget the wonderful times we've had at Shaker, both in class and out, and you can be sure we'll be back in the years to come as "Grateful Sons with love un-failing."

The Teachers Say . . .

Hollon—Good morning, Ladies!

Jones—At ease, Gentlemen!

Bishop—Now, Children!

Park—Did you make a model?

Carothers—Happy Birthday!

Miller—What's your excuse?

Henry—Here's your change.

Bosch—I'll give you 2% for writing your name correctly!

Sellers—Eh, Bien.

Linscheid—It's a lepidoptera!

Ellis—I'm ready to work!

Dilley—Non sibi sed omnibus.

French—You Malletheads!

Graham—Now tomorrow we'll deal with Emerson.

Martienssen—Oh, Horsefeathers!

Bowen—Toughen yourselves, Children!

Jeffery—It's a long, hard winter!

Ames—Girl on the left, two inches to the right, please!

Wickwire—Well, now—let me see.

Harbourt—I don't hate people who have Chevys, I feel sorry for them!

SENIOR YEAR, 1947

Perhaps the fourth year
Is the most anxious and tenterhooked year—
If nothing else.
And yet the fourth year
Is the best. Even the teachers
Like the fourth year:
You see, we are mature, responsible persons,
They say.
And they are almost right.
There is the most responsibility,
And also the most fun.
The dances, the shows,
The heavy dates, the hayrides,
The plays are better for Seniors
Somehow.
12-A Class assemblies,
Less routine.
"For Upper-Classmen only,"
An exclusive, endearing sound.
The unrest over the future,
Tag-end of adolescent need for security.
College?
What to do about grades?
And the futile feeling
That in forty-nine years it won't matter
At all.
To be a senior.
"At last I will be free."
A senior has duties and responsibilities—
And more fun!
From Mr. Ellis's choral prison
(Pure "schmaltz"),
To Mr. Jefferey's artistic menagerie
("Strictly off the cob"),
The school really belongs to the Seniors
After all, it is their last year.
They may not be very wonderful—
All of them,
But they only graduate,
If they do,
Once.
Our class is usual, and then it is so much more;
We are unlike anything anyone has ever been before.

—DICK HOWARD

SENIOR HOMEROOM TEACHERS

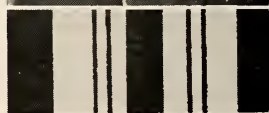

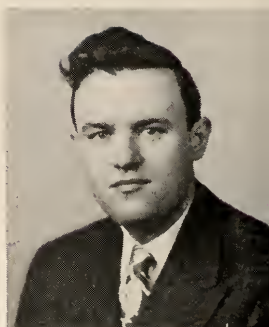

MRS. MARLOW

Mrs. Dorothea Marlow, homeroom teacher of 122, and advisor to the January graduating class, is one of Shaker's busiest teachers. In her clothing classes one finds girls busy with patterns, materials, and sewing machines. What her room does not disclose is her interest and efforts in the Senior Class activities, as their advisor. The members of the class appreciate her willing work on the play, the Senior Prom, and other class functions.

MR. DAVID

Mr. Fred David, new to Shaker this year, is a favorite of all who know him. Since he teaches algebra and math, few Seniors have had him in class. However, those who are in his homeroom, 104, have found him an interested and understanding counselor. Many other Seniors have become acquainted with him through his work as an advisor to the Annual Board.

MRS. PAGE

Mrs. Nettie Lee Page, a newcomer to Shaker this year from Kentucky, had only one semester to become acquainted with her January graduating class of homeroom 124. Mrs. Page has become known to many of the girls in the school through her teaching of foods and home management, and also through her work with the Friendship Club.

MR. JEFFERY

Mr. Charles B. Jeffery, of homeroom 209, is also new this year, but has his homeroom and the art department well in hand. In his room one sees samples of his students' work — water colors, paper masks, and action sketches, which make the room interesting and colorful. The entire school has become acquainted with the work of his department through displays in the hall cases, advertising posters, and decorations for plays, programs, and dances. Mr. Jeffery is well-liked because of his originality and his ability to put humor into the most drab situations.

MR. AMES

Mr. Alvin Ames, of homeroom 101, is well-known to us all as a teacher of commercial subjects. However, we also know him to be a good pianist, and an excellent juggler. His versatile abilities along these lines have been brought to our attention in assemblies. For a number of years, Mr. Ames has been chief faculty advisor to the Annual Board. His is the task each year of breaking in a new Annual Board and keeping the staff running smoothly.

MRS. CAROTHERS

On entering 211, the homeroom of Mrs. Edith Carothers, one realizes at once by the posters, articles, and pictures, that the subject taught here is Latin. Mrs. Carothers's spacious room, with its ferns and potted plants, is almost always brightened up with blooming flowers, which make it one of the pleasantest rooms in the building, and reflect her personality.

SENIOR HOMEROOM TEACHERS

MISS DILLEY

Miss Evelyn Dilley, of homeroom 212, takes a vital interest in the achievements of her homeroom students. Upon entering her room, where she teaches Latin, the visitor immediately notices pictures, statues, and Latin posters depicting old Rome. The Seniors who have studied Latin have had the opportunity to know Miss Dilley very well, and carry inspiration from her classes. The rest of us are familiar with her cheery smile and warm greeting.

MRS. BISHOP

Mrs. Matilda Bishop is a very understanding advisor and takes great interest in her homeroom students. She listens to the problems of the students in her homeroom, 224, and tries to help them. Mrs. Bishop has traveled widely throughout the world, and her experiences have helped her greatly in the teaching of history and economics.

MRS. SACHA

Mrs. Ruth Sacha, counsellor of homeroom 214, has been our class advisor during our entire three-year stay in the high school. She has worked with the various class officers to make our dances and other affairs a success. We have appreciated her helpfulness as a teacher and homeroom advisor, as well as her assistance in these extra activities.

MRS. BODENWEBER

Mrs. Grace Bodenweber, of homeroom 220, is another teacher new to Shaker this year. Because she teaches geometry and second year algebra, most of the Seniors have not had an opportunity to become acquainted with her. Those in her homeroom know her to be pleasant and helpful.

MISS GRAHAM

Miss Grace Graham, counsellor for homeroom 218, guided many of us through American Literature during our Junior year. Her personal experiences, gained through travel to the authors' birthplaces and historic sites, as well as her wide knowledge of this field of literature, make her particularly interesting, both as a teacher and conversationalist.

MISS MACDONALD

Miss Kathleen Macdonald is the counsellor for homeroom 213. Her understanding of human nature helps her meet the problems of students in her classes and homeroom, and her imagination illumines her teaching of American Literature. Miss Macdonald was a newcomer to Shaker two years ago.

COACHING STAFF

Robert Breitenstein, Eugene Branson, Ray Singer, Fred Heinlen, not in picture, George Lee.

WHAT IS A TEAM WITHOUT A GOOD COACHING STAFF?

Shaker High's staff of coaches consists of as fine a group of capable, experienced men as can be found anywhere. Their background for coaching has been enriched by advanced college work, as well as by practical experience in the sport which they coach.

Robert Breitenstein, director of athletics and head football coach, is a graduate of Miami University, where he participated in football and track. He later received a degree from the University of Cincinnati. Mr. Breitenstein served in the Naval Cadet Training Program before coming to Shaker in 1946.

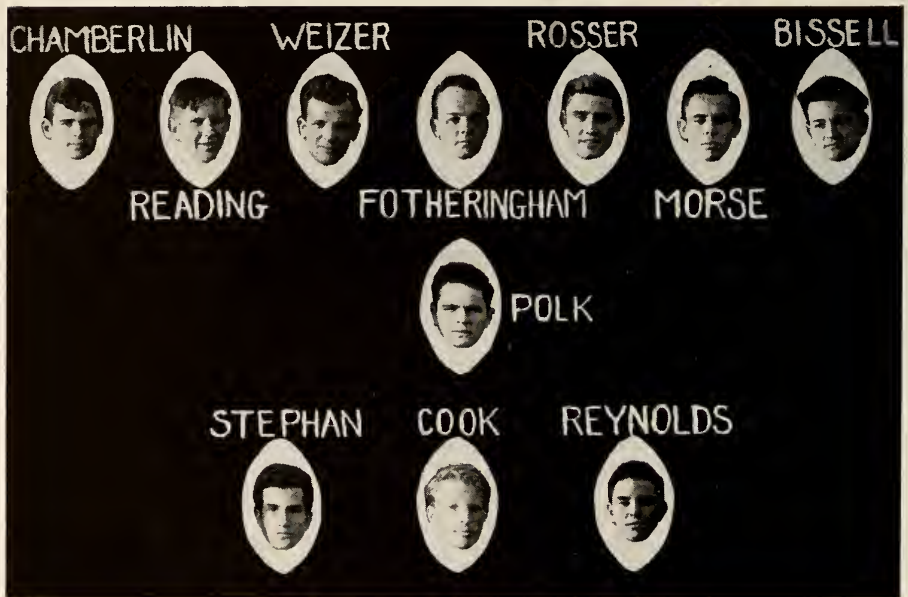

Fred Heinlen, Shaker's baseball and basketball coach, is a graduate of Springfield College and Columbia University. Mr. Heinlen played football and basketball at Springfield and also starred on the basketball team at Shaw High School before he went to Springfield. Mr. Heinlen was a member of the Army Air Corps before coming to Shaker in 1946.

George T. Lee is a graduate of the University of Pittsburgh and of Springfield College. Mr. Lee coached swimming teams at Pitt before coming to Shaker as swimming instructor and coach.

Ray Singer, track coach, is a graduate of Ohio University, where he was a star in football. Mr. Singer holds the record at Ohio University for the longest run ever made on their gridiron.

Eugene Branson, sophomore coach, graduated from Tarkio College in the Middle-West. Mr. Branson's experience in football, track, and basketball has enhanced his ability to coach Shaker's sophomore squads.

SOPHOMORE FOOTBALL

SOMETHING OLD . . . SEVEN LETERMEN FROM 1945! SOMETHING NEW . . . COACH ROBERT L. BREITENSTEIN AND HIS "INTENSITY"! SOMETHING BORROWED . . . THE "T" FORMATION! SOMETHING TRUE . . . THE BEST RED RAIDER TEAM IN TEN YEARS!

The experts were jarred; Shaw was surprised! Heights was startled! Lakewood was dumb-founded! The Lake Erie League was amazed! Shaker High School was jubilant! The Lake Erie League "cellar" had a new occupant! The Red Raiders came into a three-way tie for the second place honors in the Lake Erie League!

The football season began growing "Breiter" in August of '46, when Shaker's new coach, Robert L. Breitenstein, took over the reins of the Red Raider squad, and initiated the "T" formation into the Shaker team. It was a long and arduous job which faced the boys and the new coach, as all previous offensive knowledge had to be forgotten and re-learned. A rigorous physical training program was set up, and the team slowly began to take shape.

An unwelcome Friday the 13 plagued the Raiders in their first game with South High. The team looked clumsy; progress was slow. Result: Shaker 14, South 14.

The following week Shaker picked up a bit and won a hard-fought game from Cuyahoga Falls by a score of 7-0.

The Elyria game, although ending in a tie, proved that the Raiders had made great strides since the beginning of the season. Shaker was rated underdog by two touchdowns, but surprised everyone with their new fighting spirit and initiative. The "T" principle injected into the Raiders by Coach Breitenstein was beginning to take effect. Shaker 7, Elyria 7.

Shaker rose to greater heights, when the following week they defeated Shaw High. For the first time in 10 years, the Raiders came out victorious over Shaw, and brought home the score Shaker 13, Shaw 0.

The following week Shaker met Lorain in the muck and mud of a rain-soaked field. The Raiders lost their only game of the season in a tough battle, but even in defeat they looked good. The score was Lorain 14, Shaker 6.

The combined "Dad's Day" and "Alumni Day" brought out hundreds to watch the annual Shaker-University School game. The crowd was not disappointed, for Shaker won an easy victory, 19-0.

The next Saturday the Raiders crushed a strong Willoughby team, 32-19. At this point the newly formed "T" principle was coming to a climax, and Shaker prepared to take on the mighty Heights and powerful Lakewood.

On Thursday night, October 31, the team rose to play the "thriller" of the 1946 season by overpowering the Heights Tiger 19-12 in a packed Shaw stadium. Again pronounced the underdog by all "who knew," the Red Raiders showed themselves superior in a game in which they outplayed, outran, and outscored the runner-up contenders for the 1946 Lake Erie League crown.

Shaker's season was to come to an end the following week, climaxed by the long-awaited game with the undisputed possessors of the 1946 Lake Erie League championship. At this point Lakewood had "steam-rolled" through all its opponents. It was feared that Shaker had met its match. But the Raiders were underrated again, for the game ended in a 0-0 score. Shaker had tied the undefeated and, until then, untied champions. The Raiders got themselves a runner-up berth on the Lake Erie League gridiron train for 1946.

Our team was characterized by its fighting spirit, splendid attitude, and the outstanding deception on its offensive and defensive plays.

As Coach Breitenstein put it, "The Shaker team of 1946 will always be remembered by me as one of the cleanest and most determined groups I have ever coached. I will miss their abilities on the field, and their friendships off the field."

FRONT: Ross Sanfilipo, Sherman Hamel, Dick Jantzen, Frank Ciula, Tom Reading, Carl Murray, Sonny Galier, Howie Markt, Bob Greiner.

FOURTH: Don Saunders, George Skoley, Al Brouman, John Smoots, Larry Gottfried, George Smith, Bruce MacNab, Dick Brunner.

Not to be outdone by their brother athletic teams, the Shaker matmen, too, opened their season last December with a new coach, Joe Iofredo.

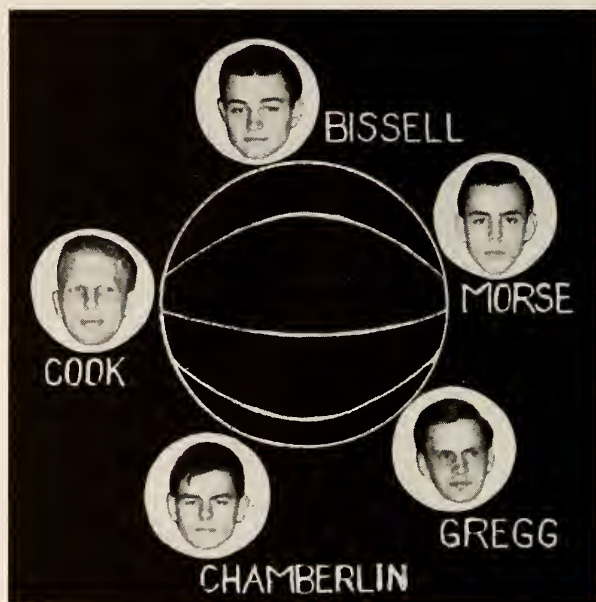

When Coach Iofredo took over the team, he found a last season city co-champion team with many of the winning squad back again. At this writing the Raiders hold second spot in the city league, with Euclid Shore in first place.

Shaker's matches have all been victories but one, which was lost to Euclid Shore, 25-8. The victories were over John Hay, Collinwood, Bedford, and University School.

SOPHOMORE BASKETBALL

SHOOT FOR A BASKET, SHOOT FOR TWO

SHAKER CAGERS ARE NEVER THROUGH!

Aided by a new coach and an entirely new system of zone and man-for-man defense, as well as a new offense, the 1946-47 Raider cagers have made a good start this season.

Coach Fred Heinlen, whose versatility in basketball offense and defense knowledge has been plainly shown in the way the cagers have stacked up this season, was able to teach to a team composed largely of last year's veterans, a new system of basketball never before seen on a Shaker court.

Shaker had its first glimpse of the rejuvenated quintet when it defeated Glenville High School, and held their high point man, mighty Al Stern, to a mere eleven points for an evening's work. The following week the cagers defeated Euclid Central High, and all Shaker knew that here was a new team with different ideas.

The next weeks, however, the team seemed to be bogged down with poor luck. They lost to Lorain, Cleveland Heights, and Shaw, and it was not until they met Elyria that they came through with another victory. This victory over the Elyria Pioneers boosted Shaker out of the Lake Erie League cellar.

Dependable for the first half of the season were Bob Chamberlin, Warren Morse, Bill Gregg, Jerry Cook, and "Suds" Bissell, who were seasoned veterans of previous years, but Morse, Gregg, and Chamberlin were graduated at mid term.

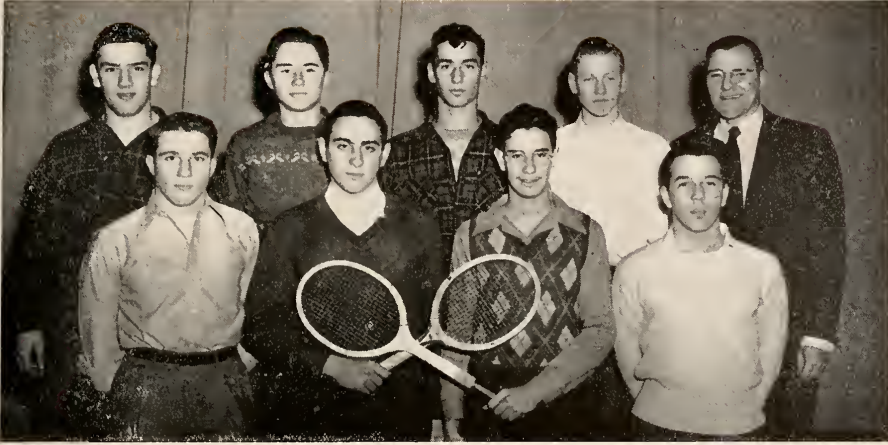

The loss of "Suds" Bissell and Jerry Cook the following week because of broken ankles hindered the team no end, and although Coach Heinlen was able to put in capable replacements, the experienced Bissell and Cook were definitely missed.

The importance of the loss became even more decisive when the Raiders were defeated by Lakewood the next week at the halfway mark of the season.

It cannot be foretold what the outcome of the season will bring, but it can be assured that with the winning spirit prevailing about the team, a greater effort for victory will now be made than ever before.

The "Racketeers" finished fourth in the 1946 spring season of the Greater Cleveland Inter-scholastic Tennis League, having lost to University School, Shaw, Benedictine, Glenville, and East Tech. Dave Dressler led the team in the singles, followed by Rod Hunsaker and Tom Scott. Ray Dacek and Jerry Herman, Chuck Johnston and Jerry Porter were doubles partners. In the playoffs for the Lake Erie League in the fall of 1946, the "Racketeers" lost to Shaw. Consequently, they were automatically eliminated from the race.

Behind the rackets in the fall of 1946 and spring of 1947 were Louis Paul, Jim Randall, and Dick Kyman on the singles, and doubles partners Ray Dacek and Bob Kichler, Al Boyer and Tom Scott.

TAKE BALL AND BAT, A SPIRITED TEAM, THEN MIX TO GET BASEBALL, A GOOD SPORT AT SHAKER IN '46!

When there are ten returning lettermen on a team the team's bound to be good, and that's the exact description of the Red Raider 1946 baseball squad. With Coach Norm Schoen making his last appearance as a Shaker pilot, the Raiders, who led the Metropolitan League for over half the season and made a bow toward the city championship in the play-offs entered a record of six wins, four losses, and no ties on the Shaker annals at the close of the season.

The opening game was with Shaw High. To start off the season with a victory, Phil Dawson, star pitcher, won his opener, 3-2. The following week the Hilltoppers of University School deflated Shaker spirit a little, when they won their game, 5-1. Shaker was now even, with one win and one defeat. The Collinwood game the next week sparked a new spirit in the Raiders, for after defeating the Clevelanders, 9-4, they went on to three more victories.

By mid-season, when Shaker met Cleveland Heights, the Raiders were way up in the top bracket of the league. The Heights game was important, and the Raiders pulled out a close

3-2 victory. With smooth sailing ahead, the nine-men again defeated Shaw, 3-1. The Raiders poured out revenge on the Preppers at University School the following week, when they submerged them, 3-2.

Shaker lost its only other Metropolitan League game to Collinwood, when after a hard fought game, they couldn't overcome the two-run lead. The game ended with Collinwood at the head, 6-4.

The final game of the season was with Cleveland Heights, and again, as they had four weeks before, Shaker defeated their close rivals, 3-2.

Entering the league play-offs the following week, the Raiders were defeated in their first two games by East Tech, 7-1, and by Shaw, 7-0.

As Shaker looks toward the '47 season with a new coach, Fred Heinlen, the team is bolstered by the return of six veterans. Jerry Cook, Dick Schultz, Herb Polk, Mike Smith, "Skip" Rosser, "Suds" Bissell, and Dave Donaldson are back on hand to support the new season. With such a strong back-bone the team should be a success.

IN THE POOL AND GETTING WET . . . MERMEN'S DETERMINATION CAN NEVER BE MET!

Having lost all of his strong swimmers of last season, Coach George Lee has had to rely upon a new group of sophomores to swim for Shaker this season.

At this writing the mermen have won a single victory over Shaw, 42-24. Dick Brunner, captain of the team, is the only returning letterman from last season. Coach Lee has relied on him, as well as divers, senior Gilbert Merrill and senior Dan Hahn to pile up points.

Coach Lee's plans for next season are more hopeful, in that he feels the experience gained by this year, will have a great deal to do with the outcome of the team next season. This has been the first time on the swimming squad for many of the boys, and they need merely to learn so that they may teach their opponents of next season what a real swim team can do.

TRACK—A SPORT THAT SETS THE PACE! SHAKER IS PROUD OF HER BOYS IN THE RACE!

1946 was a stirring season for the cindermen, beginning when Shaker won the Indoor Meet at the Arena last spring. The Maple Heights-Bedford-Shaker triangular meet at home ended with Shaker amassing 93½ points to Maple Heights' 35, and Bedford's 21. The cindermen then defeated Cathedral Latin, 62-56. The Hilltop Meet came next, with Shaker coming out victorious for the third consecutive year—Shaker 89, University School 37, Cleveland Heights 24, was the final count.

The next meet, with Shaw the following week, was one to be remembered long into the future. The cindermen broke three Shaker track records that day, and defeated Shaw as well.

Ralph Stephan got things started when he put a new mile record of 4.36.8 on the books. Then Ed Meadow ran a new record half mile in 2.02.8. Not to be outdone by the racers, Bob Chamberlin came through with a new record in the field events by topping the pole vault record to a new eleven feet even.

After being runner-up in the District Meet against East Tech, and after the medley relay team of Ed Meadow, Dave Clyde, Ralph Stephan, and Doug Frank had broken the record at the West Tech relays, the Raiders climaxed their season by seizing the Lake Erie League championship from Lakewood in a close 62-60 victory.

A sixth place in the State Meet at Columbus ended the season. Ralph Stephan grabbed first honors in the mile, and Bob Chamberlin placed third in the pole vault.

As the team sets out into the 1947 season it is ready to add to that stream of victories—twenty-eight consecutive dual and triangular meets in all. With a sophomore "B" squad to bolster the team, and the capable instruction of Coach Ray Singer, the possibilities of the coming season are unlimited.

JACK O. EVANS, Director

Under the direction of Mr. Evans, the band has risen to new heights in this 1946-1947 season. Showing its true school spirit, the band played at our home and away - from - home football games, rain or shine. Besides showing their ability as a marching band, our Shaker musicians presented an assembly of both band and concert music for the entire school. This year, with new uniforms, new 10-B talent, and renewed vigor, the band marches on to greater glory.

A CAPPELLA CHOIR

The A Cappella Choir is the largest musical organization in our school and has a great responsibility in representing Shaker in the musical field. The Choir each year holds a music festival, sings at P.-T. A. meetings and various churches, presents a Christmas assembly, and competes in the Lake Erie League Choir Festival. Recently the Choir presented the Bobby Sox Revue which will become an annual spring performance. Membership in the Choir is competitive, but anyone may try out. Mr. Reynold Ellis is the director. George Bissell, President; Sally Skeel, Vice-President; Sydney Pennington, Secretary; Bob LeLievre, Treasurer, take care of the business essentials.

STUDENT COUNCIL

OFFICERS

President	Ralph Stephan
Vice-President	Sam Caruso
Secretary	Jo Ellis
Treasurer	Duke Gorling
Business Manager	Joe Holloway

Through the Student Council the students are given an opportunity to govern themselves. The council is composed of members elected by each homeroom. The members attend the meetings, offer any ideas they have to the council, and later report to the students in their homerooms. Any suggestions a student has for improvement are given to the council representative, who delivers them to the council.

The President, Vice-President, and Secretary are elected by the students in the spring of the school year, for the school term. The Treasurer and Business Manager are appointed after receiving a recommendation from teachers and passing a test based on the work required by each particular office.

BOOSTERS AND DEANS' ASSISTANTS

The Boosters are those boys and girls who tell you that you can't go up the "down" stairs, or that you must wait your turn in the lunch line. You'll also see them assisting in the student council office, ushering at football games, and running the noon movies. The Vice-President of the Student Council directs the Booster force and appoints a captain to supervise each period. The captains this year are Bert Reid, first period; Tom Thrailkill, second period; Bob Roberts, third period; Joe Holloway, fourth period; Henry Amster, fifth period; John Ruffini sixth period; Tom Thrailkill, seventh period.

The assistants to Miss Hollon and Mr. Miller can be found spending their time in the deans' offices, running errands, collecting absentee slips and greeting visitors to the school.

FRIENDSHIP CLUB

The Friendship Club is a branch of the Y.W.C.A., which endeavors through its meetings to establish better relations among the girls of the school. Some meetings are devoted to service, others to furthering the knowledge of the girls through outside speakers. For their project this year the girls plan to donate a record player to the children at the Jones Home. The club is sponsored by Mrs. Page.

CANTEEN COMMITTEE

This year, the "Neetnac," Shaker's canteen, has made many changes in the organization and management of the Canteen. The committee consists of students particularly interested in the Canteen and its operation. These people, under the direction of Mr. A. S. Jones, plan and prepare the food for each Saturday evening, provide entertainment through the constantly increasing record library, and publicize the Canteen through posters and P. A. announcements. Although membership is limited to an extent, anyone with a sincere desire to work on the committee and at the Canteen will be given consideration.

S. F. A. A.

CLUBS AND ACTIVITIES

ART SERVICE CLUB

The Art Service Club undertakes the seemingly impossible task of publicizing most school organizations. It makes posters and decorates for school affairs. The club is directed by Mr. Charles Jellery and is divided into two groups so that anyone just interested in art may join, and not only those talented in art. The officers are Nora Patterson, President; Mary Ellen Smith, Secretary; Andrea Field, Treasurer.

BOWLING CLUB

The Bowling Club is composed of Shaker boys who particularly enjoy bowling, or are interested in improving their game. The group, headed by Mr. Fred David, goes bowling once a week at Kinsman and Lee. The club membership is limited to about 20 boys. It is one of the few sports offered in High School activities which need not stop after graduation, and these boys can get the fundamentals now for enjoyment later on.

CHEERLEADERS

The fellows and girls responsible for boosting the morale of our teams and leading us in our mighty cheers are the cheerleaders: Charlie Sedlak, Mary Janet Reese, Bill Hufferd, Betty Kidder, Wayne Jordan, Jo Ellis, and Tom Thraillkill. Chosen every year in competitive tryouts, cheerleaders are judged on the basis of their vitality and style and the cheers they offer. You'll see them at pep assemblies, and baseball, basketball, and football games.

CHESS CLUB

The major aim of the members of the Chess Club (other than checkmating each other), is to prepare a chess team for interscholastic competition. Miss Evelyn Dilley sponsors this club, whose officers are Jim Harkins, President; Alan Cohen, Vice-President; Ed Congleton, Secretary; Gerald Herman, Treasurer.

CONGRESSIONAL CLUB

The Congressional Club of Shaker is an organization devoted to the performance of service to the school; membership is invitational and open to boys of the 11th and 12th grades. Under the leadership of Mr. Miller, the boys sponsor dances and all-school parties, and act as guides for the open house. This year Bruce MacNab is President; Anson Method, Vice-President; Dick Schultz, Secretary; Sam Caruso, Treasurer.

DRAMATIC CLUB

The Dramatic Club was begun this fall to promote student interest in play direction, theater art, and costuming, as well as acting. To bring out the hidden talent of Shakerites, the club presented an all-school play, *Stage Door*, which the members hope will set a precedent for future Thespians at Shaker. Under the capable direction of Mr. W. Walton, and with the assistance of its officers, the club hopes to put new life into the Shaker stage.

THE DRUM MAJORETTES

Newcomers to Shaker in the last two years are those neat, high-stepping gals in their red and white uniforms, the Drum Majorettes. Led by Drum Major Don Seymour, they give that special woman's touch to our band.

FRENCH CLUB

The French Club, which holds its meetings once a month on Thursdays, is open to all students who have studied French for two or more years. French speakers are often invited, and occasionally the third and fourth year students present short plays in

French. The club has been sending boxes of food and clothing to two families in France, and the members of the club have received many letters thanking them for their help. Miss Helene Latem is the sponsor of the French Club. Renee Clark is President; Mildred Herschkowitz, Vice-President; Sydney Pennington, Secretary; Betty Gubelmann, Treasurer.

GIRLS' ALL-STAR BASEBALL TEAM

From the intramural baseball teams there is chosen one team of true sluggers, pitchers, and catchers, the all-star baseball team.

GIRLS' ALL-STAR BASKETBALL TEAM

The all-star basketball team is composed of sophomore, junior, and senior girls showing the most ability in this popular sport. The girls play Hathaway-Brown, Laurel, and Heights High Schools, and give a demonstration of skill in girls' basketball before the school.

GIRLS' ALL-STAR HOCKEY TEAM

Girls' field hockey is a varsity as well as intramural sport. For the past two years Shaker has competed with Heights, Laurel, and Hathaway-Brown schools in hockey, and has entered the annual Hockey Play-day held at Laurel. The all-star team is composed of girls who are outstanding in hockey.

GIRLS' ALL-STAR VOLLEYBALL TEAM

Volleyball is one of the two sports most participated in by girls. The all-star team is chosen from the outstanding players on intramural volleyball teams.

GIRLS' LEADERS CLUB

The aim of the Leaders Club is to encourage the spirit of fair play and friendship among the girls of the school, to promote sociability by helping self-conscious girls to enjoy athletics, and to give members of the club special training. Guided by Miss Kamp, the girls of the club have elected Mary Downes, President; Ellen Myer, Secretary; and Ardis French, Treasurer.

GIRLS' SWIMMING LEADERS

The Girls' Swimming Leaders, under the supervision of Miss Burke, help with the instruction of swimming and gym classes by checking attendance, assisting beginners, and caring for equipment. A girl may become a leader after she has taken life-saving, passed a skill test, and proved herself responsible and capable of leadership. The officers this year are Jane Pope, President; Pat Doyle, Vice-President; Lois Lelkowitz, Secretary; Martha Leas, Treasurer.

HI-Y

Hi-Y is a boys' organization formed to promote high standards of Christian character throughout the school and community. Sponsored by the Y. M. C. A., it has several thousand chapters in the country. The Shaker chapter meets at Heights Christian Church, and is open to any high school boy who attends the opening meeting and also the following two. The meetings consist of discussions, movies, etc., and plans for frequent affairs such as dances, picnics, hayrides, and parties. The club is split into three parts, the Sophomore, Junior and Senior groups. Advisor to the Senior Chapter is Mr. A. S. Jones; advisor to the Junior Chapter is Mr. Fred Heinlein; acting advisor to the Sophomore Chapter is Mr. C. O. McGraw. The officers of the combined chapters are Herbert Erf, President; John Ruffini, Vice-President; Dick Stillinger, Secretary; Bud Hayes, Treasurer.

CLUBS AND ACTIVITIES

MIRIAM STAGE LEAGUE

The Miriam Stage League, sponsored by Miss Louise M. Hollon, offers its services to the community and school. All girls are eligible to join this organization which helps with the "Dads' Day" program, provides servers for banquets, and sells football programs. The club also helps needy families in the community. The officers are Joan Spencer, President; Doris Jacobson, Vice-President, Ann Cowan, Secretary-Treasurer. Next year the club hopes to have speakers who will talk on colleges.

MUSIC APPRECIATION CLUB

Every two weeks, the Music Appreciation Club, sponsored by Mr. Reynold Ellis, meets in the choir room. Membership is not limited, and anyone who enjoys music is invited to attend the meetings. Although most of the programs are centered about a great classical symphony, concerto, etc., lighter musical programs also are planned. One of the most interesting programs of the past year was the one given by Mr. Jack Evans on the subject of modern popular music and orchestras. The officers of the club are Dick Howard, Program Chairman; Mary Krum, Social Chairman.

NOON MOVIE OPERATORS

Boys who are interested in the operation of movie projectors and who want to spend the last half of their lunch period in service to the school become our noon movie operators. Novices serve an apprenticeship with the more experienced members of the crew.

P. A. STAFF

Those brave people you see trudging to school at 8:00 A.M. are the members of the P. A. Staff, coming to rehearse the morning announcements. Despite the fact that Mr. Ellis stands over them with a club and stop-watch, the staff courageously greets you every morning with the "super-commercials" and skits written by Wayne Jordan and Marjorie Taylor. Aside from the fun, the announcers get valuable experience for future radio work.

RIDING CLUB

The Riding Club was formed this year to enable girls not only to improve their skill in horsemanship but also to make new friends and enjoy their company in pleasant surroundings. Each girl must ride the required number of times to be eligible for club privileges. Sponsored by Miss Komp, the club has chosen Connie Hutchings as President, and Yvonne Whitcomb as Secretary-Treasurer.

RIFLE CLUB

The aim of the rifle club is to give boys an opportunity to learn, the safe way, how to become better marksmen. Membership, which is limited to approximately 20 students, is open to all boys who obtain their parents' consent and who have access to a rifle. Each member of the Rifle Club automatically becomes a member of the National Rifle Association. The Club is sponsored by Mr. Alfred Bosch, and Larry Lichtig is the President.

ROSTRUM CLUB

The Rostrum Club, true to its name, promotes better voice quality, clearer enunciation, and greater expression in speech delivery. Mrs. Harriet Strela, club sponsor, offers helpful suggestions after the Speech Mirror (a voice-recording machine), has revealed

the defects in the reader's speech. In this way, the members of the club can "hear themselves as others hear them," and get the suggestions for improvement of a trained speech expert. The club's officers are Mary Anne Forbes, President; Dick Howard, Vice-President; Marcia McBride, Secretary-Treasurer.

SCIENCE CLUB

The Science Club, which is sponsored by Mr. Wayne French, is an organization which offers great opportunities for young science "hopefuls" and knowledge for those merely interested in science. The members perform and describe experiments, and outside speakers and movies are often presented. Dan Bradley is President; Dave Sachs, Vice-President; Dick Stillinger, Secretary; Bud Hayes, Treasurer.

SCRIBBLERS' LEAGUE

The Scribblers' League is an organization sponsored by Miss Wickwire for students interested in improving their skill in writing. The members read their work before the club for criticism and participate in literary contests. Once a month an outside speaker addresses the club and refreshments are served. The officers are Joan Freeheim, President; Sally Skeel, Vice-President; Nancy Harris, Secretary; Ellen Morris, Treasurer.

S. F. A. A.

Inviting because of its intriguing name, the S.F.A.A. becomes much more interesting when one learns this is a music club in which those musically talented are given a chance to perform before their contemporaries. Instrumental and vocal soloists may apply for membership. The club meets the third Sunday in every month at the homes of the members. The officers are Bob LeLievre, President, Gloria Suraceon, Program Chairman; Carolyn Sykes, Secretary; Richard Sogg, Treasurer.

SHAKERITE STAFF

The Shakerite is the voice of Shaker High. Guided by Mrs. Jameson and editor Herb Ert, the staff publishes a paper every three weeks. New additions to the paper are the streamlined "rocket heads", a full page of sports, and many more photographs of school activities. Sally Skeel and Syd Pennington are Associate Editors; Al Wright, Sports Editor; Dick Stillinger, Business Manager; Roxy Katz, Circulation Manager; Dave Sachs, Photography Editor.

SHARCS

The members of the Sharcs Club, a group of skilled swimmers, devote their time to improving their form swimming, diving, and water stunts, and sponsoring interclass swimming meets and the annual spring pageant. Membership is open to all girls who can pass a skill test. The group is supervised by Miss Burke, and Jo Ellis, President; Ann Cowan, Vice-President; Audrey Tomlinson, Secretary; Mary McCrory, Treasurer.

TRAVEL CLUB

Through talks, slides, and discussions, the members of the Travel Club try to gain a better understanding of our world neighbors. Mrs. Barrow is the club sponsor; Beth Lewis is the President; Barbara Schultz, Vice-President; Arlene Trozelli, Susan Sill, Scooter Walker, Secretaries.

SALUTE TO YOUTH

I like the way youth stands,
 I like the way youth walks,
 Wiser than the sages,
 I like the way youth talks.
 Caring not for the past,
 Thinking only of now,
 They step into the future,
 And never need ask "how"?
 They seem to know the truth,
 They always find the way.
 They take the upward path,
 Tomorrow is theirs today.

— MARILYN ROSE MILLER

THE EDITORS SPEAK

As we have all heard Mr. Rupp say, "A school is more than a pile of bricks and a stack of books. It is, in reality, the students, activities, classes, and sports, and the spirit behind them all that actually make the school." We have tried to kaleidoscope all these things for you in the 1947 Gristmill, so that it will not be just another yearbook, but rather an annual with features that will recall to you, in future days, your high school life in Shaker.

"Forbes and Forbes, Incorporated" put their heads together in writing and editing and presiding over the staff, in hopes of bringing out a good yearbook . . . Paul Sindelar, Business Manager, and his assistant, Charles Sykes, sold the books and balanced the budget; Paul's usual salutation was, "Well, how are things coming?" . . . George Smith, Appointment Secretary, made more than 300 appointments for pictures at Cheshire and overlooked no one. After the Seniors were all taken, he followed up the late ones and threatened them with, "You've got to return your proofs by this Friday if you want your picture in the Gristmill!" . . . Nancy Harris and Lynne Rask, the Club Editor and her assistant, respectively, worked for weeks trying to match names and faces on some sixty club pictures . . . Right here we want to thank some of Mr. Ames's students for typing the above lists in addition to the sports articles . . . Sydney Pennington and Dick Roebuck, Art Co-Editors, went to work and devised the smart "dividing pages" for between each section of the book. In addition, they designed a stamp to be used as a book plate in the front of each annual to avoid mix-ups . . . Joan Ruby, Class Editor, chased Seniors around until each one of them had filled out his activity list, which appears next to his name . . . Marv Wolfson, Sports Editor, decided to get a little originality into his section of the book, and planned the athletic division with complete write-ups of all sports . . . Dave Sachs, our Photography Editor, really had fate against him. When he finally got his camera back after three

months in the factory for repairs, he was stricken with appendicitis, so his position was turned over to George Haynam, who took most of the pictures around school. Credits for other photos used go to Holloway, Amster, and Hollender.

Many lunch periods and after school hours were spent in Room 20 reading dictation to Dick Howard to save the typing classes some work. Because of the eighteen to twenty hours of dictation which Dick took in five school days, we were able to get the Seniors' activity lists alphabetized and to the printer before the deadline.

Of course none of us had ever worked on an annual before, and chances are slight that any of us will ever work on one again. It has been an experience which the Editors, at least, consider invaluable, and while we have had some difficulties, we have also had a lot of fun. The Gristmill office, Room 20, became a local hangout; during fifth period many of Shaker High's "local celebrities" dropped in, the majority being on either the Shakerite or Gristmill staff. Here too we would hold conferences when our invaluable assistant from Cheshire, Mr. Partridge, (also known as Mr. Quail or "the bird"), came out to school, and we found ourselves going twenty minutes late to a Chemistry test! Otherwise, all was quiet in Room 20 but for the reciting Spanish classes next door and the grumbling wrestlers down the hall; after school it was the panting breath and footsteps of the boys running track in the basement corridor.

A few grades went down for awhile, and then, miraculously, and all of a sudden, each of us found that his part of the job was done. We had an amazing amount of time now for homework, and we got after our studies with new energy. So we settled back into the old routine of the tenth and eleventh grades, and waited for the books to come out. And as the Gristmill went to press, the Editors whispered a little prayer — "We hope you like it!"
